

REHAU®

Unlimited Polymer Solutions

SPACE AND FLEXIBILITY FOR YOUR HOME

Introducing the AGILA Sliding Door

The REHAU AGILA High Slider has been expertly engineered to offer a broad range of features and benefits guaranteed to complement today's contemporary, open-plan living spaces. The increased door sizes and slim sightlines allow more light than ever to flood your home making our new sliding door the perfect alternative to a multi-fold door.

A large choice of panel configurations from 2 sashes up to 6, with the triple track creating a 'cinematic' door with large opening sizes and minimum profile for an ultimate viewing experience.

Combined with the low maintenance benefits offered with all uPVC doors systems, REHAU AGILA is really the perfect choice.

- ✓ Slim sightlines
- ✓ High security
- ✓ Contemporary square edged aesthetics
- ✓ Maximum light and view with doors up to 5m wide available with 3 large glazed panels
- ✓ Low maintenance
- ✓ Cost effective alternative to a multi-fold door

Our verbal and written application engineering advice is based upon experience and the best of our knowledge. However it is to be regarded as non-binding information. Working conditions and use under conditions for which the product was not intended and over which we have no influence exclude any claim resulting from our information. We recommended that a suitable check is made as to whether the REHAU product is suitable for the envisaged purpose. Application, use and processing of the products is carried out beyond the scope of our control and are therefore carried out exclusively at your own responsibility. If liability should still apply, then this is restricted, in case of all damage, to the value of the goods supplied by us and used by you.

Our warranty applies to the consistent quality of our products as per our specification and in accordance with our general terms and conditions of delivery and payment.
